We're the local, family-oriented property restoration team **with generations of restoration experience.**

Accent specializes in restoring properties damaged by fire, wind or water to pre-loss or improved conditions returning clients to their normal lives on schedule and within budget.

Our in-house team is fully equipped to faithfully restore residential or commercial projects of any size. We work with a personal commitment serving property owners across the State of Wisconsin.

You can rely on Accent — from the first shock of your emergency to the elation of regaining your fully restored property.

*We understand **what** you're going through.*

*We're here to hold your hand and walk you
through the restoration process.*

We put your mind at ease by taking the time to explain emergency procedures and the entire restoration process. We work closely with your insurance claims adjuster and insurance agent to ensure fair estimates and budgets. We listen to you and provide our professional consultation, and handle any negotiating or conflict resolution needed to get the project done smoothly — so you never have to worry.

We restore property and people's lives.

Craftsmen who care.

We accent the personal touch.

We'll treat you like family while providing:

The confidence we have in our quality of our work enables us to provide a full 5 year warranty on all workmanship and a lifetime warranty on smoke-odor removal.

Your Expectations. Our Expert Work.

We specialize in 24-hour emergency board-up and mitigation services preventing further damage to your property.

We utilize state-of-the-art technology and processes including leading project management software, content tracking databases, advanced ultrasonic and ozone cleaning technologies, and 3D-property documentation and floor plan generation.

We listen to you and take your input seriously.

We communicate and keep you in the loop every step of the way — empowering you to make well-informed decisions.

Our craftsmen work as a well-coordinated team. They are in-house and hands-on performing with a personal pride and commitment.

Our expertise enables us to determine realistic schedules and budgets and adhere to them.

Our team of skilled craftsmen have decades of experience in property restoration and repairs, including drywall, carpentry, electric, plumbing painting and décor.

All contents are stored in a climate-controlled 21,000 square foot facility monitored with a full security system.

Safety is paramount. All teammates are trained to follow OSHA and EPA standards.

We work with an unrivaled attention to detail and care.

We make the restoration process easy, and the end product exceptional.

We work for your ultimate satisfaction.
